Radio WSMH Presents The Top Hits Of 1977

Music plays an important role in the life of each one of us. We don't all like the same kind of music, or the volume at which we listen to it. But lyrics and melody can be used very effectively to convey a mood. And now the Bell Staff would like to set the mood for the 1976-1977 year.

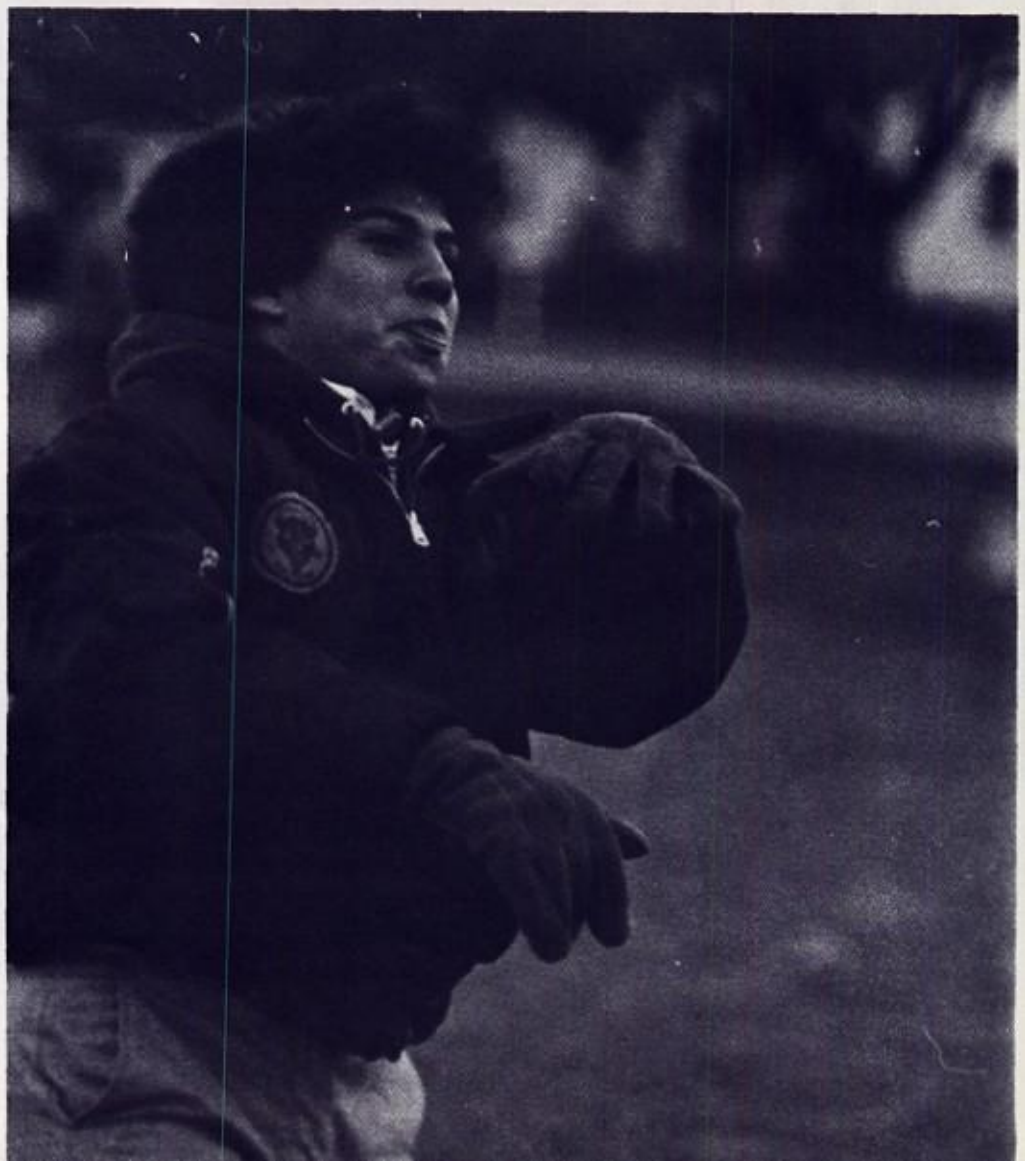
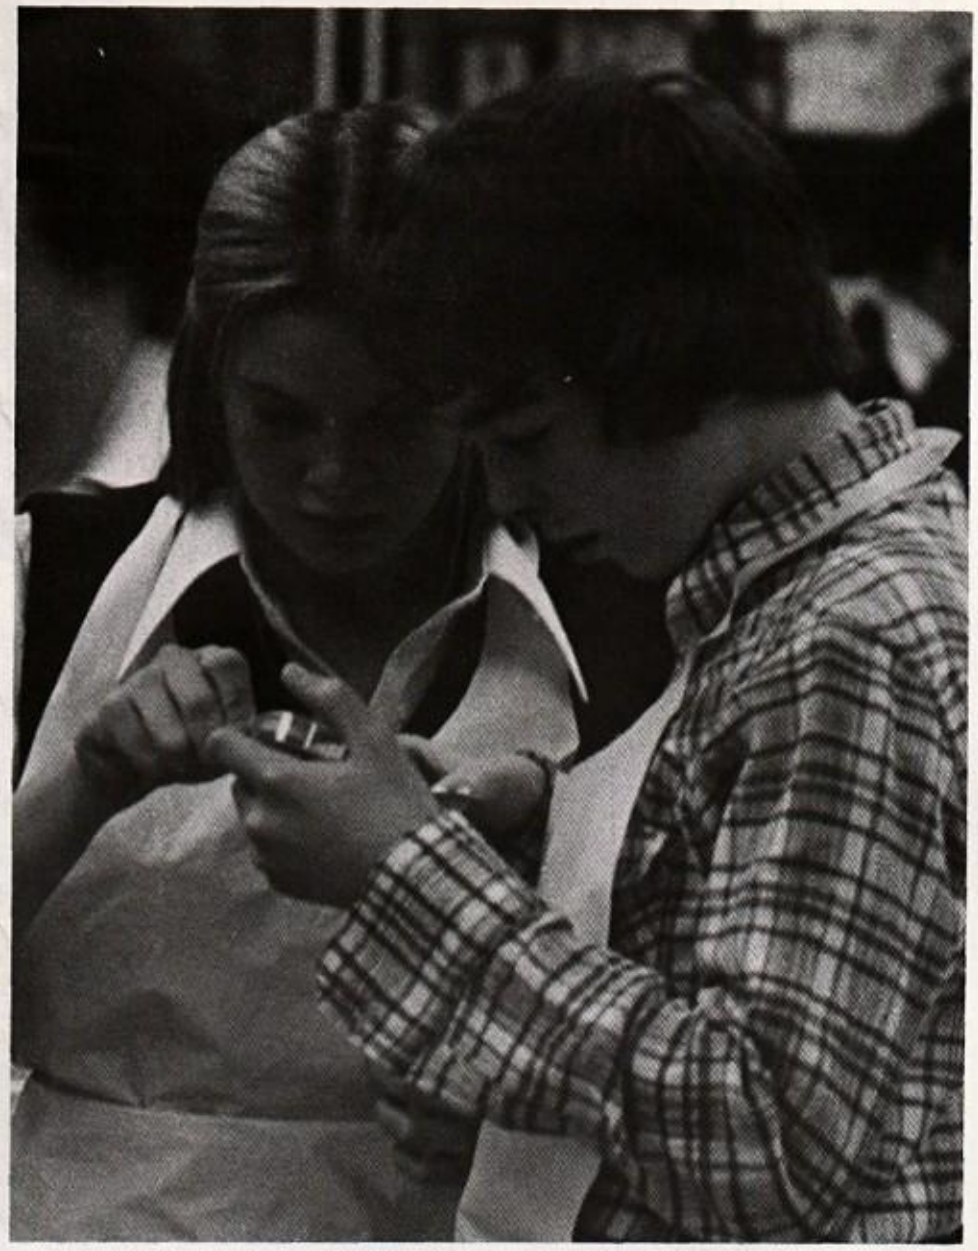
Terry Crotty wants to point something out.



Lee Calderon warms up.

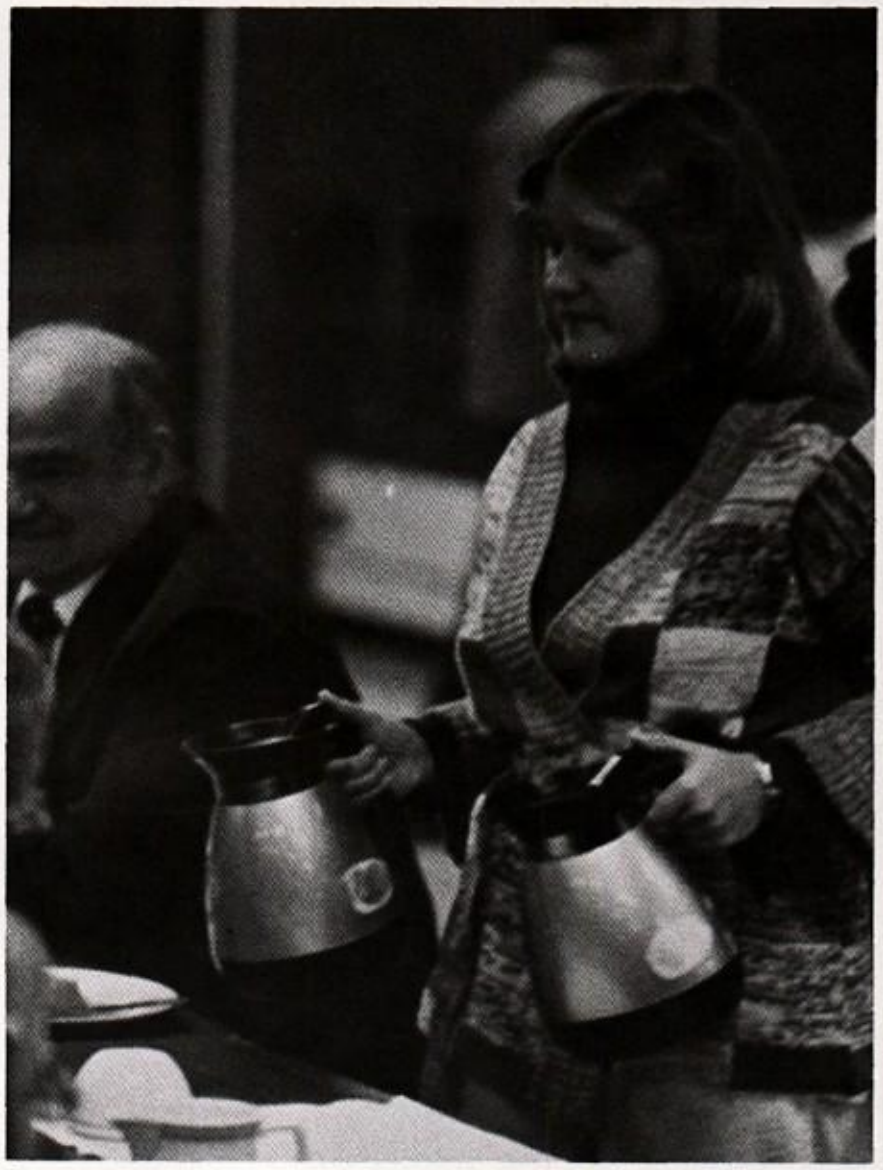
"The Show Must Go On!"

Day after day, we must put on our face and carry on with the activities of the hours. Sometimes happy, sometimes tired, sometimes excited and sometimes bored—still we keep on going. In all these faces is the key to the music; the signs of what life at St. Mary's really means to its students.



Joy Fenton and Larry O'Halloran experiment during biology lab.

Ward Bower doesn't seem to think so.



Sue Veleba helps out at the Pancake Breakfast.

The Yearbook staff poses as the Seven Dwarfs for the Patron Drive assembly.

The fall Patron Drive was a big success with the school exceeding its goal of $14,000 by $260. The drive, which lasted two weeks, involved selling ads to various local business and also to individuals for the Yearbook, to show their support of the school and of a Catholic education.

There were several incentives provided to encourage sales, such as lunch at McDonald's and an afternoon of bowling. The school was rewarded with a free day for its efforts. After the totals were finalized the Seniors were on top with 116%. The top seller of the school was Kristine Scherer with $515.

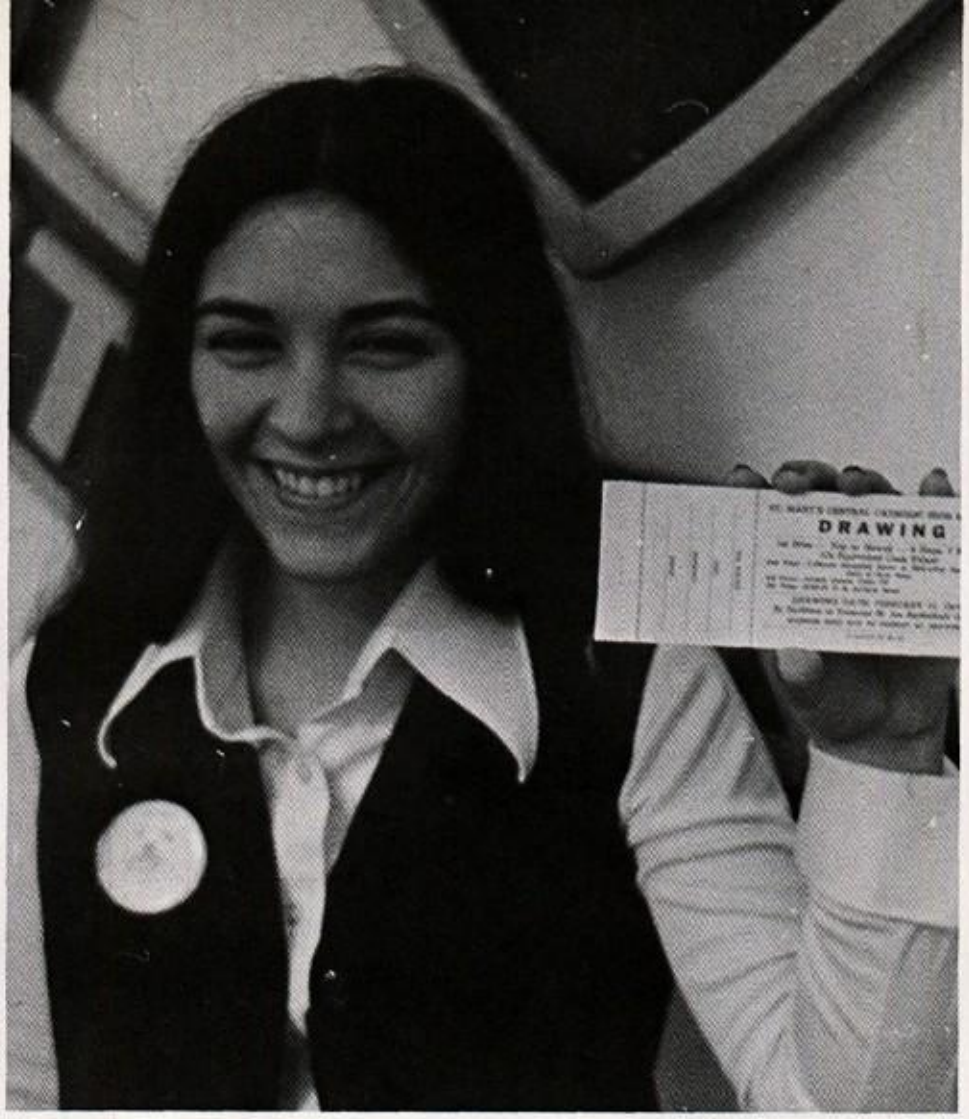
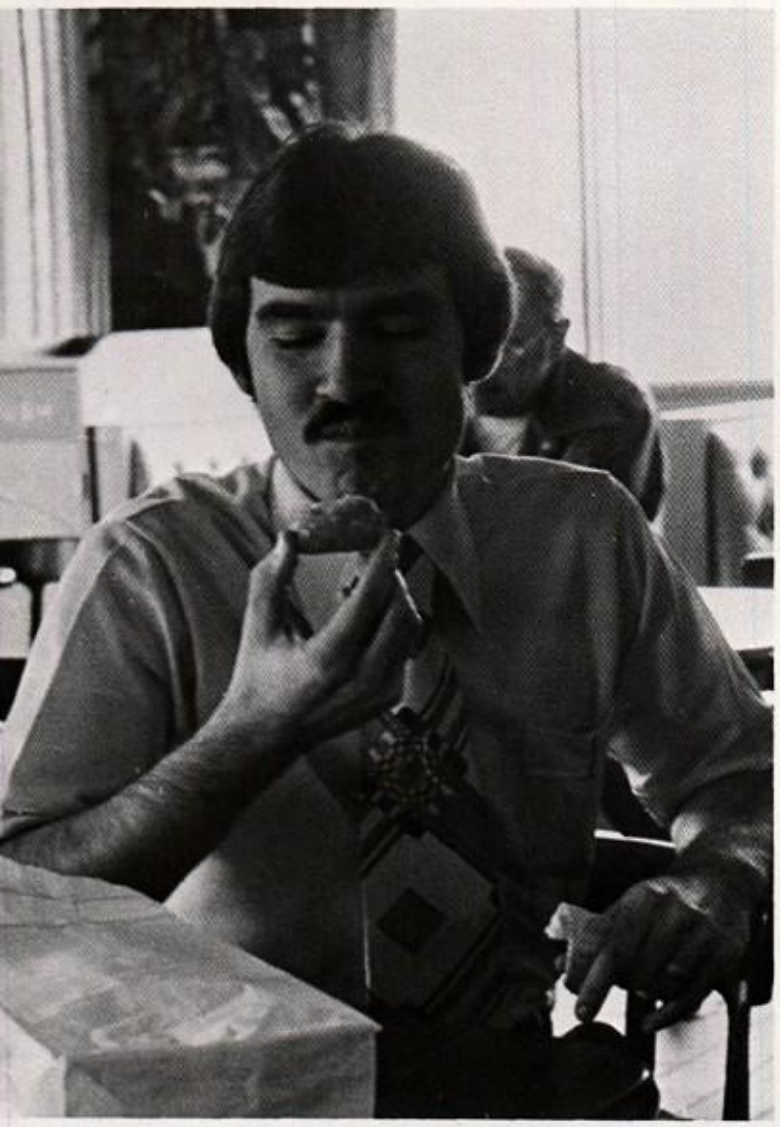
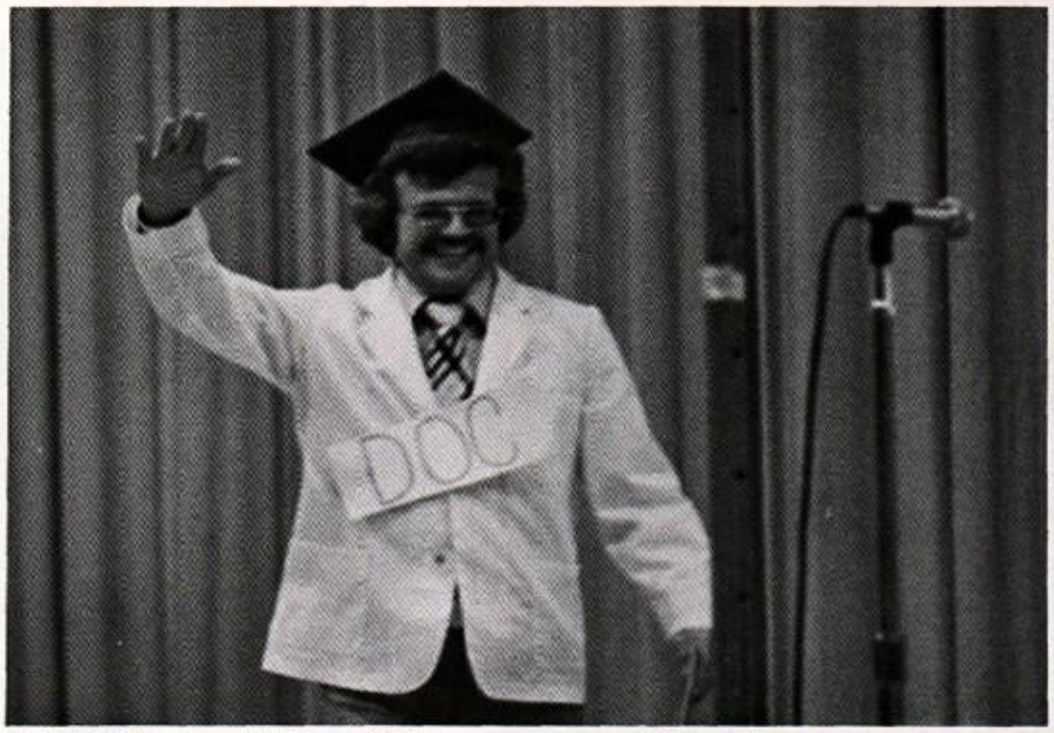
Dan McCormick and Joe Shepherd.



Michele Farrar flashes her persuasive smile to sell tickets.



Mr. Kelley chows down with his winning homeroom at McDonald's.



"Doc" (Mr. Janelle) has all the answers on selling ads.

The second fund-raising effort of the year was the sale of raffle tickets. There were four prizes: the first prize was a week's trip to Hawaii, and the three others were a shopping spree, a color television, and a $100 savings bond. The sophomore class was the top in the school and Shelley Laws was the top seller. The school as a whole made $8018 or 66.8% of it quota. Incentives were certificates for albums and a dinner.

Victory Bell and float are proudly displayed at the St. Joe game.

Fr. Gray encourages us to "colour our world" with love.

Reflecting.

Sharing.

Participating.

Student life has many aspects . . . the spirit and pride of a big game, the fun and laughs of the Halloween party and the dances, the quiet contemplation at school masses and retreats. And throughout all these activities and events, there is an undercurrent . . . a rhythm . . . yes,

"It's A Living Thing"

Nancy Weigel sheds a few tears as she gives

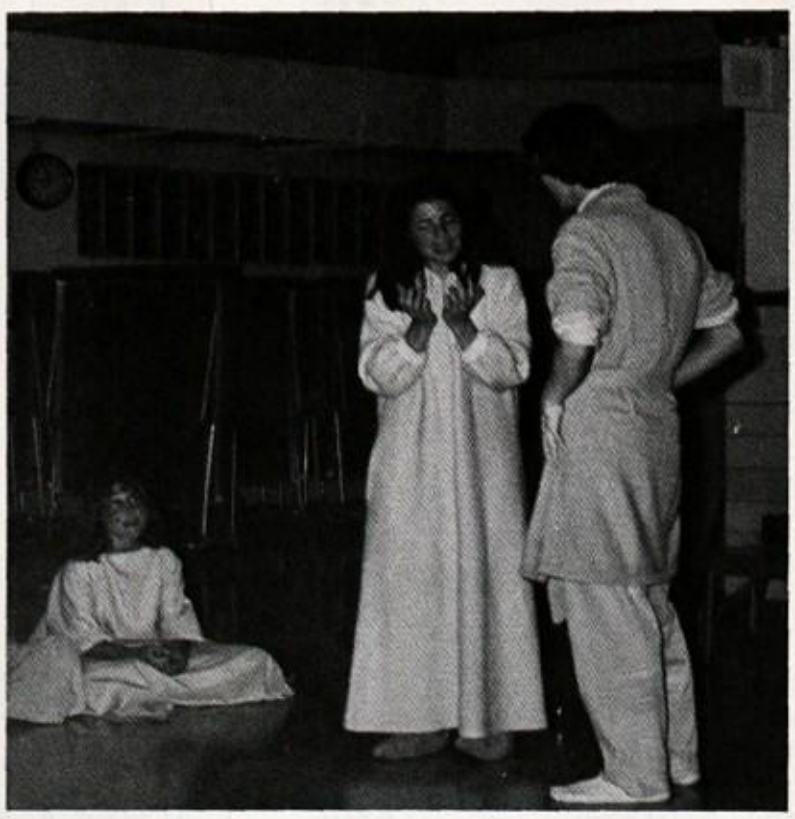
"Superstars": Mr. Lindquist zaps Dan McCormick.

Cheryl Stamm a hug after Commencement.

"Go Your Own Way"

We must all go our own way, do what we feel . . . From serious moments to fun times, we keep on our own path and follow our own beat. Some things are group efforts, like Youth-in-Government, the Senior-Faculty game, Choir concerts and "Rhythm of Life", the plays "A Minor Incident" and "Of Winners, Losers and Games". Then there are individual outstanding achievements, at the Science Fair, the Art Show, the sports banquets and the Honors Assembly. And individuals combine their own style for a purpose: the Recruitment Tour Group, "Superstars", and Academic Challenge. But working together, each in our own way, makes us better people because "We are different by design and proud of that difference."

Tammy Smith and Joe Hoffman swing to the beat of the jitterbug.



Chris Shepherd watches Barb Garvin and Bill Ott perform in "Of Winners, Losers and Games".

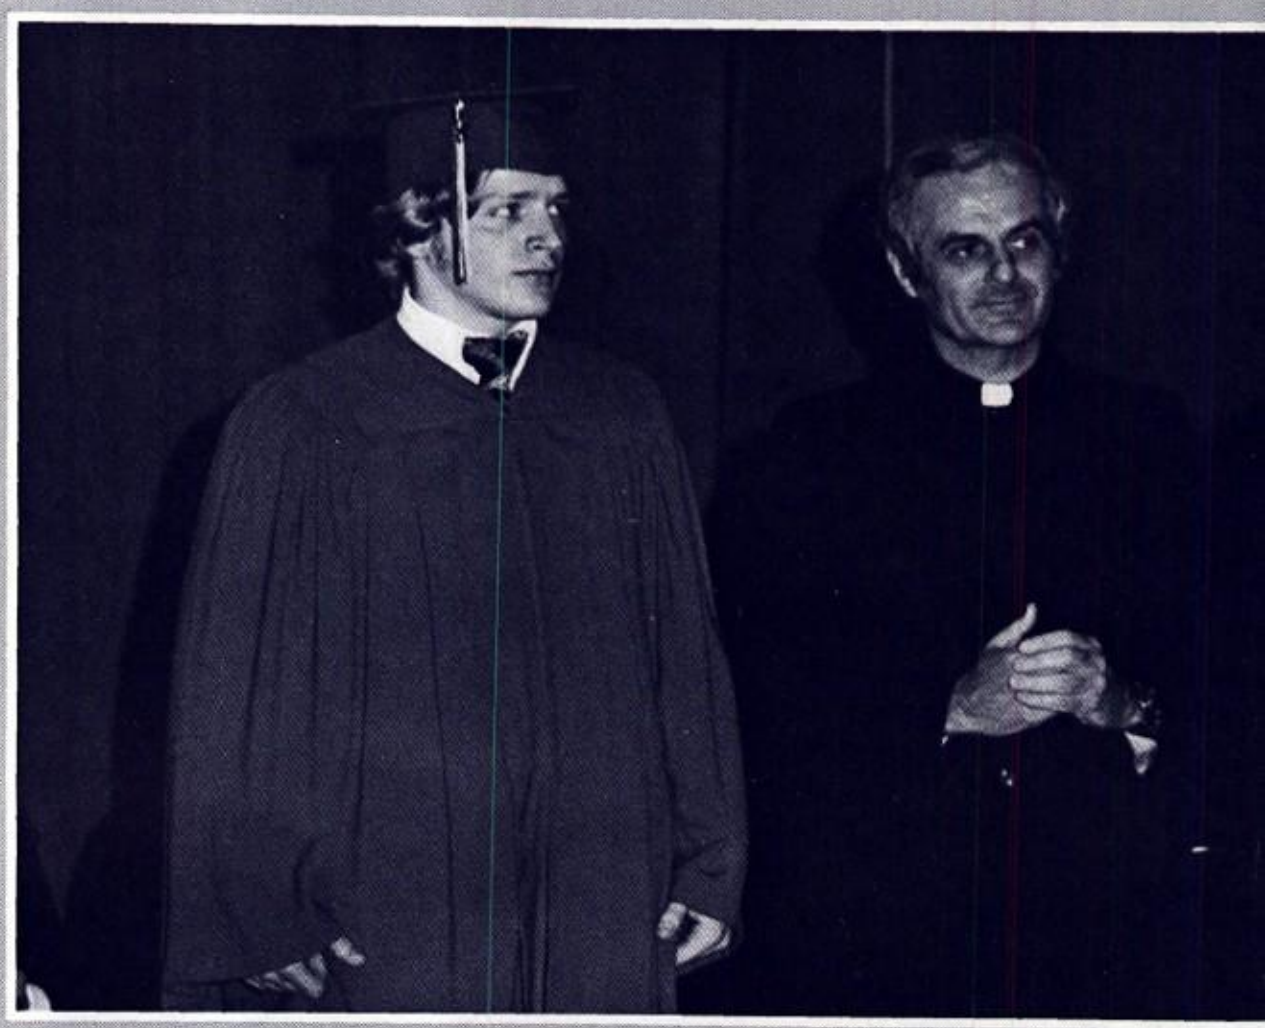
Graduation Day

"Our Last Song Together"

Days of devils, kings and clowns
Angel songs and birthday tunes
Valentines and wishing wells
Magic stairways, moons and
Junes
Silly rhymes, monkeyshines
Pictures on a stage
Round and round the records go
Time to turn the page . . .
This will be our last song together
Words will only make us cry
This will be our last song together
Theres no other way we can say
good-bye.
Now we go our separate ways
And leave the world we used to
know
The scratchy worn out 45's,
An echo on the radio
Those "Sha-la" days are over
now
The days of me and you . . .
This will be our last song
together—
The Class of 1977!



Dan McCormick receives the Bishop's Medal.

104 seniors become graduates of St. Mary's Central Catholic High School.

"Teach Your Children"—Administration

Administration was expanded this year through the hiring of Mr. James Metzo as Development Director. Mr. Metzo has earned a Bachelor of Science degree in Education from Bowling Green State University. Mr. Dennis Rectenwald began his second year as principal with a Masters degree in Administration and Supervision from the University of Toledo.

The main office was manned by Mrs. Naufel, Mrs. Gallam and Mrs. Smith.

Through the use of auxillary services money, the thirteen member school board; under the direction of E.F. Hughes, President and Frank Muscetta, Vice-President; was able to hire a school nurse for the first time at St. Mary's. Mrs. Barbara McAran took the job and began setting up health records for each student.

One welcome change in the cafeteria was the beginning of an a la carte lunch line in mid-February.

Building custodians, Joe Hoelzer and Cletus Ritzenthaler (class of '25) spent most of their time fixing leaky water pipes, putting in new lockers, or doing all those little things that janitors are supposed to do. And who could forget our housekeeper, Mrs. Rita Manner. Besides keeping the building clean, she always had a few extra ties hidden away for anybody who might have forgotten his.

Academically it was a great year and we owe that to a great administration, faculty, and staff.

Mrs. Lucy Naufel

"One Is The Loneliest Number"

The mathematics department was headed by department chairman, Louis Janelle, Jr. (M.A.T.—Bowling Green State University). He taught the computer science courses, the calculus courses and Algebra II advanced.

Sister Mary Danielle, S.N.D. (Bachelor of Arts—Mary Manse College) taught geometry and Algebra II intermediate. Tom Keegan (Bachelor of Science—Bowling Green State University) taught geometry, applied math, and Algebra I.

The math department participated in mathematics examinations which provided opportunities for international and state competition. The 28th annual MAA Mathematics examination was taken by seventy students, in early March.

New equipment purchased by the math department was thirty Texas-Instruments calculators and a new, portable computer. The new Wang 2200 computer will open the Computer I course to sophomores as well as juniors and seniors.

"Bungle In The Jungle"

Mr. Walter F. Amburn was depa:tment chairman. He holds a Bachelor of Science degree in Education from Bowling Green State University. He taught world cultures, world history and civics.

Mr. Philip D. Jaeger, Jr. (Master of Arts, Ohio State University), taught American history, contemporary history and sociology. Mr. James Metzo taught the Ohio history courses.

The civics classes were provided with an opportunity to register for voting in the elections for those seniors who were eligible. The social studies department also initiated a Century III Scholarship Program. It's purpose is to aid seniors seeking financial aid in the form of a scholarship.

"Mother Nature's Son"—Science

Department chairman of the science department was Mrs. Eloise Renwand. She holds a Bachelor of Arts degree from the College of Wooster. She taught biology, human physiology, and seminar in current biology.

Mr. W. Martin Smith (Bachelor of Education, University of Toledo), taught all sophomore biology. Earth science and chemistry was taught by Sister Mary Vivette (Bachelor of Arts, Mary Manse College). Sister Danielle taught physics. In addition, Miss Kathleen Shufflin student taught at St. Mary's for several months.

The science department participated in the First Annual Honor Student Night, at Bowling Green State University; and the Eleventh Annual Youth and Science Conference, held at Ohio State University. The annual science fair was very successful, with 11 students' projects being judged superior and enabling them to go on to Heidleburg for competition.

In charge of the English department was Mr. Gary Kelley, with a Bachelor of Science degree in Education from Bowling Green University. He taught all the special and senior English courses.

Teaching developmental reading and every English I course was Sister Mary Berneta, S.N.D. (Bachelor of Arts, Mary Manse College). Ms. Diane Mills (Masters in Education—Guidance and Counseling, Bowling Green State University) taught all the junior (English III) courses and split the sophomore courses with Mr. Spansky. In addition, Mr. Thomas R. Riggs (class of '73) student-taught in the English department for a few months.

Sister Berneta's English class took part in an essay contest which was sponsored by the Toledo Diocese. The students turned out some very interesting essays.

"Takin' Care Of Business"

Taking care of the business in the business department is Sister Mary Janene, S.N.D., as chairman with a Master of Arts degree from the Catholic University of America.

Mr. Jack Altenburger (Bachelor of Arts in Business Administration, Marion College) took care of the Accounting I classes and the business law class. Mr. Norman Paeth taught the Typing I classes and one Typing II class. Mr. Metzo and Sister Danielle also helped by teaching a business math class each.

The business law class served as jury members in a mock trial at the courthouse for the Youth in Government program. That class also visited the courtroom during a real trial to supplement their classroom sessions.

"Miracles"

The religion department was improved vastly over the same department from years gone by. This was due mostly to the hard working and dedicated staff which served in that department. It was all led by Sister Mary Lucille, S.N.D. and Fr. Dennis L. Gray, department co-chairmen. Sister Lucille holds a Master of Arts degree in Theology from St. John's University, Collegeville and Fr. Gray holds a M. Div. from Mt. St. Mary's. Sister taught the challenge and Christian service courses. Her service class was responsible for visiting rest homes around the area; an act that was appreciated by many. Fr. Gray taught the morality and the commandments classes. He also helped to organize or did organize the retreats which each class took throughout the year. The two department chairmen were also responsible for raising money to keep the department in operation.

Fr. Dennis L. Gray

Helping these two people along the way was Rev. Charles Dendinger and Rev. Gregory Gerrick. In addition to these there were several other people who taught in this department but are seldom recognized, they were: Sr. Berneta, Sr. Danielle and Mr. Janelle.

The most unforgettable happening in the religion department was the construction of a chapel within the school building. By utilizing an empty classroom, much hard work, and dedication the chapel was opened to the students at mid-year.

Guidance

The guidance department saw Mr. James Funk as its chairman with a Masters degree in Education from B.G.S.U. He was assisted this year by Mrs. Susan Cooley, who was hired through the auxillary services program. They were responsible for giving the tests: GATB—freshmen, OVIS—sophomores, PSAT—juniors, ACT and SAT—juniors and seniors. They were also responsible for scheduling and EHOVE and for giving information to students about college or jobs or whatever . . . They were even available just to talk to, if you had a problem. The school was also visited by speakers from various colleges.

Mr. Dale Spansky, with a Bachelor of Arts degree from Cleveland State University, was department chairman. He taught all the German classes. Mr. Patrick Leone (Bachelor of Science, John Carroll University) taught the Spanish courses.

"Theme From 'Rocky'"

Mr. Gene Weyer was department chairman with a Bachelor of Science degree in Education from Montana State University. Mrs. Rose Nath (Bachelor of Arts, Heidelberg College) assisted him. Between the two of them they taught all the phys. ed. and health classes. An interesting change in the phys. ed. program was the mixing of the boys' classes with the girls'. All the classes were coed, in keeping with Title IX.

"Cook Of The House"

Department chairman was Mrs. Virginia Bertsch with a Bachelor of Science degree from Ohio State University. She spent her day teaching the girls in her classes about cooking or sewing. In the future they might open the home ec. classes to boys just as they've opened the gym classes to coed sessions; Who knows?

Demonstrating pie-making is what Mrs. Bertsch does best.

"Colour My World"

Mr. Donald Nath, with a Bachelor of Science degree in Art Education from Bowling Green State University, was department chairman. His Art III and IV class traveled to Fries Lumber Company in the fall and painted their windows in a nature design. The 6th annual Art Fair, held in May was also a big success.

TOUCHDOWN!

Day By Day . . .

For a young inexperienced team, this year's Panthers gave the big guys a run for the SBC gold. With a nucleus of 13 seniors, the 39 man squad finished 4-2 in the conference and 7-3 in the regular season.

Even with the same record as the previous year, this year's team did something last year's team didn't. The 1976 Panthers placed on the UPI and the AP listings, scoring as high as 2nd place!

From spirited wins, like the Margaretta game (20-0), to heartbreaking losses like the Huron contest (0-7), the Panthers always came back fighting.

Then when it was all over, St. Mary's proved to all the big guys in the SBC, that it takes a lot to overcome "Panther Pride."

At every pep rally, every student of this school stood up and prayed: "We the students of St. Mary's dedicate this game to thee, our Lady queen of victories . . . "

A rain-drenched Coach Weyer still has his mind on the game as he walks off the playing field following a tough match.

Girls Count Too!

Under the leadership of a new coach and four returning senior lettermen, the varsity volleyball team ended their season with a fine 10-5 record, including 2nd place in the SBC with a 5-1 record. Their lone SBC loss to 1st place Clyde highlighted the season, as St. Mary's was termed their "toughest" opponent, being the first team to win a single game against them, but fell short in the match: 4-15, 15-8, 11-15. They also captured 2nd place in the Norwalk Invitational and were sectional runnerups.

Cheryl Stamm (MVP) and Marcia Faber were Varsity co-captains, while Carla Nagel led the JVs to a 5-6 season. The reserves lacked experience, having only three players returning from last year's team, but played well against tough competition.

The 1976-77 girls' tennis team wound up a disappointing season, losing four very close matches, but at the same time showed their real potential. If the 2-3 decisions they lost would have been reversed, the team would have had a winning record. The adverse weather conditions were also a factor as four matches were cancelled.

With only two seniors on the eight member team, fortunes are looking brighter for next year. This year's MVP, Melinda Singler, will return next year along with junior teammates Debbie Galati and Bonnie Blakely, to lead the team.

"You're Gonna Make It After All"

"It's an experience watching a game in our gym, which we like to call the Panther's den", proved to be the understatement of the year by Coach Paeth, as the Panthers played seven of their eight overtimes during the season in "the den".

The 76-77 Varsity basketball team, thought by many to be in a rebuilding year with only one returning letterman, finished their season in fine fashion with a 15-6 record. After disposing of Western Reserve, the Panthers fell to powerful Mansfield St. Pete's, but rebounded to crush SBC favorite Huron. They beat Fostoria St. Wendelin, but dropped a heartbreaker to Tiffin Calvert in overtime.

During the Panther Classic, the team defeated Danbury Lakeside, then won a thriller over Old Fort in triple overtime to clinch the championship. The head basketball mentor summed up the win as "none is as sweet as this victory tonight."

The second half of the season brought wins over South Central and Huron once, and Clyde, Fremont St. Joe (OT), and Margaretta twice, with the only losses coming at the hands of Tiffin Calvert and Perkins.

The Panthers grabbed their 3rd sectional crown in four years, beating Norwalk St. Paul and New London, and advanced to the districts only to taste defeat against Tiffin Calvert for the third time. After it was all over, Coach Paeth stated, "This is not the best team I've had at St. Mary's, but I can say I'm more proud of what they have accomplished than the others. They refused to quit and just kept plugging away like they have all year long.

"It's Going To Take Some Time"

Coach Wally Amburn's reserve basketball team closed out a disappointing season at 7-11 overall, including a 3-9 SBC slate. Of the eleven losses, nine were one to five point decisions. The JVs showed both strong individual and team improvements, bettering last year's 3-8 mark as freshmen.

A bright spot for the JVs was the Panther Classic tournament, where they captured first place, defeating Old Fort 56-41 and Danbury Lakeside 38-37. They also defeated Perkins twice, and St. Wendelin, South Central and Huron once during the season.

The 76-77 freshmen basketball team, guided by first year coach Jim Metzo, regained the SBC crown for the first time since the 72-73 season. Sparked by co-captains Geoff Palmer and Phil Bickley, the young Panthers stormed their way to an 8-1 SBC record, enroute to an overall record of 11-1.

They ran off six straight victories, defeating Norwalk twice, and Perkins, Margaretta, Huron, and Lakeside once, before being upset by Perkins 41-36. They came back to win their last five games in order, stopping Perkins 57-43, crushing Huron 70-49 and finally disposing of Tiffin Calvert 53-52, to grab the SBC crown.

The frosh really did "take it to the limit", giving St. Mary's much to look forward to in future years.

"I'm A Believer"

"We had three separate seasons of basketball, getting off to a good start winning four or five in a row, then we lost three in a row and finally, the highlight of our season, the tournaments when nobody expected us to do well we breezed through the sectional and lost again to St. Pete's" offered Coach Rose Nath at the Winter Sports Banquet.

The 76-77 girls' varsity basketball team compiled a "disappointing but not discouraging" overall record of 9-7, including a 4-2 SBC slate.

The Panthers played in a preview at Bellevue before opening their season with a tough win over Monroeville. After they defeated Port Clinton, the Panthers fell to Norwalk, Perkins and Vermilion, but came back and exploded against Tiffin Calvert in a record-breaking performance. The Panthers fell again to Norwalk and Clyde, but defeated Huron, Margaretta and St. Joe in succession. The Panthers "played well but came up short" in a see-saw battle with Vermilion to end regular season.

In the Norwalk sectionals, the Panthers defeated St. Joe and top-seeded Danbury Lakeside to grab their second crown in two years. At the Willard districts, Coach Nath commented, "No one figured us to get this far but here we are. There's no pressure on us. We just go out and play." St. Mary's shot past Plymouth to reach the finals against St. Pete's, but fell short 45-41. Coach Nath responded, "For the second year in a row we lost to a team that we still feel we can beat." Mansfield St. Pete's went on to become Class A state runner-up.

"Oh Very Young"

The 76-77 girls' JV basketball team enjoyed a successful season this year under Coach Rose Nath, compiling an overall record of 9-3, including a 5-1 SBC slate.

The young squad consisted of seven freshmen and three sophomores, including only one returnee from last year's undefeated team. The highlight of their season was a thrilling 28-27 victory with two seconds left over previously unbeaten Margaretta, snapping their 10-game winning streak.

They also grabbed victories over Monroeville, Port Clinton, Norwalk (twice), Perkins, Tiffin Calvert, Huron, and Fremont St. Joe. Their only losses were to Vermilion (twice) and Clyde.

"All By Myself"

The 76-77 Panther varsity wrestling team relied heavily on the experience of seven lettermen, including five seniors, who provided most of the team leadership this season, due to the graduation of seven seniors last year.

The Panthers, defending champs of the Edison Invitational, captured the runner-up spot this year behind Norwalk. They claimed five champions in Jude Roth, Kevin Roth, Dave Keech, Bob Voltz and Mitch Naufel and also had two seconds, two thirds, and two fourth place finishers. Third-year coach Tom Keegan beamed, "We are super pleased. The kids did a fantastic job and I feel we have a young team that is going to progress as the season goes."

In the Vermilion tournament, again being the only Class A school entered, the Panthers still managed to capture 3RD place behind Vermilion and Columbia. Jude Roth was the lone champ, as the team also grabbed two seconds and four fourths.

At the SBC tournament, the Panthers placed 12 of 13 entrants in their bid for a third straight crown, but fell to a veteran Huron squad and placed second. St. Mary's had two champs in Jude Roth and Tom Spendiarian, three seconds, four thirds, and three fourth places. Coach Keegan summed up the tournament as "a fine team effort".

At Findlay College, the Panthers repeated as district champs over 40 other schools. "Considering so many of our kids got hurt, I'm just happy that four guys made it to state", declared Coach Keegan after the victory.

Champions Jude Roth, Bob Voltz and Mitch Naufel, and runner-up Matt Naufel represented St. Mary's at the Otterbein College state wrestling tournament. Mitch Naufel, the only senior member of the group, fell in his second match, but captured back to back wins in the consolations to place 3RD in the state at 175 pounds. He scored all 12 points for the Panthers who tied for 20TH place.

"I'm so proud of these boys. We had eight boys in the hospital during the year. Lots of injuries, but these boys, and I should say these men, came on to win sectionals and districts", stated Coach Keegan in summing up the season.

The Panthers finished a challenging season with an impressive 6-2 dual meet record by defeating Lorain Senior, Shelby, Margaretta, Clyde, Perkins and Huron. The only losses came at the hands of Fremont St. Joe and Norwalk.

"I Get Around"

The '76-'77 varsity basketball team will be remembered to have lost the battle but to have actually won the war. The Panthers, under Coach Jack Altenburger, lost the SBC crown to Huron in a highly contested battle 9-8 but won the war of the St. Mary's Invitational beating Port Clinton 2-1 in the finals to claim the crown for the first time in its ten year history.

This year, the team's leadership rested on the shoulders of five seniors, who nicknamed the club "cardiac express", and rightfully so since the Panthers came from behind to win nine out of fifteen games. Five of the six season losses came by a one or two run margin.

In the sectional tournament, the Panthers clobbered Norwalk St. Paul (10-4) but later fell to Gibsonburg in the finals (5-4).

Take a look.

- "Firelands has a lot to offer. The faculty and staff are very cooperative and highly qualified. The students are very easy to get along with and helpful. Despite the fact of it being a small school compared to others, it could easily open the doors to your future." (Curt McCarthy, Class of '76)

- "Firelands is a great place for the undecided - the individual who wants a college education but is unsure about what field to enter and wants some background without investing too much cash. It's close to home, yet affiliated with a large state university, making it easier to transfer to the bigger school when a final decision is made." (Elaine Hemminger, Class of '76)

- "Firelands has an informal, casual environment. Both teachers and students are friendly and helpful. There are some interesting courses here." (Pam Blackburn, Class of '76)

- "If you're looking for a place to start your first year of college and you don't have all that much money, Firelands Campus has a lot to offer. The teachers are first rate, and they're willing to sit down and answer any questions you might have. Firelands offers the atmosphere of a small school. Friends are easy to make, and you don't have to put up with crowded classrooms or hallways. Firelands also offers a variety of activities. I enjoy the intramural sports program, but the happy hours are better." (Pete Daniel, Class of '76)

Break tradition your way

Judy Newall did.
She's a coin collector working outdoors collecting coin boxes from pay phones.

Jerry Perkowski did.
He's a clerk-typist who enjoys office work.

Rita Chuey did.
Now she's an installer who works outdoors and on her own.

Give tradition a break, as well as yourself.

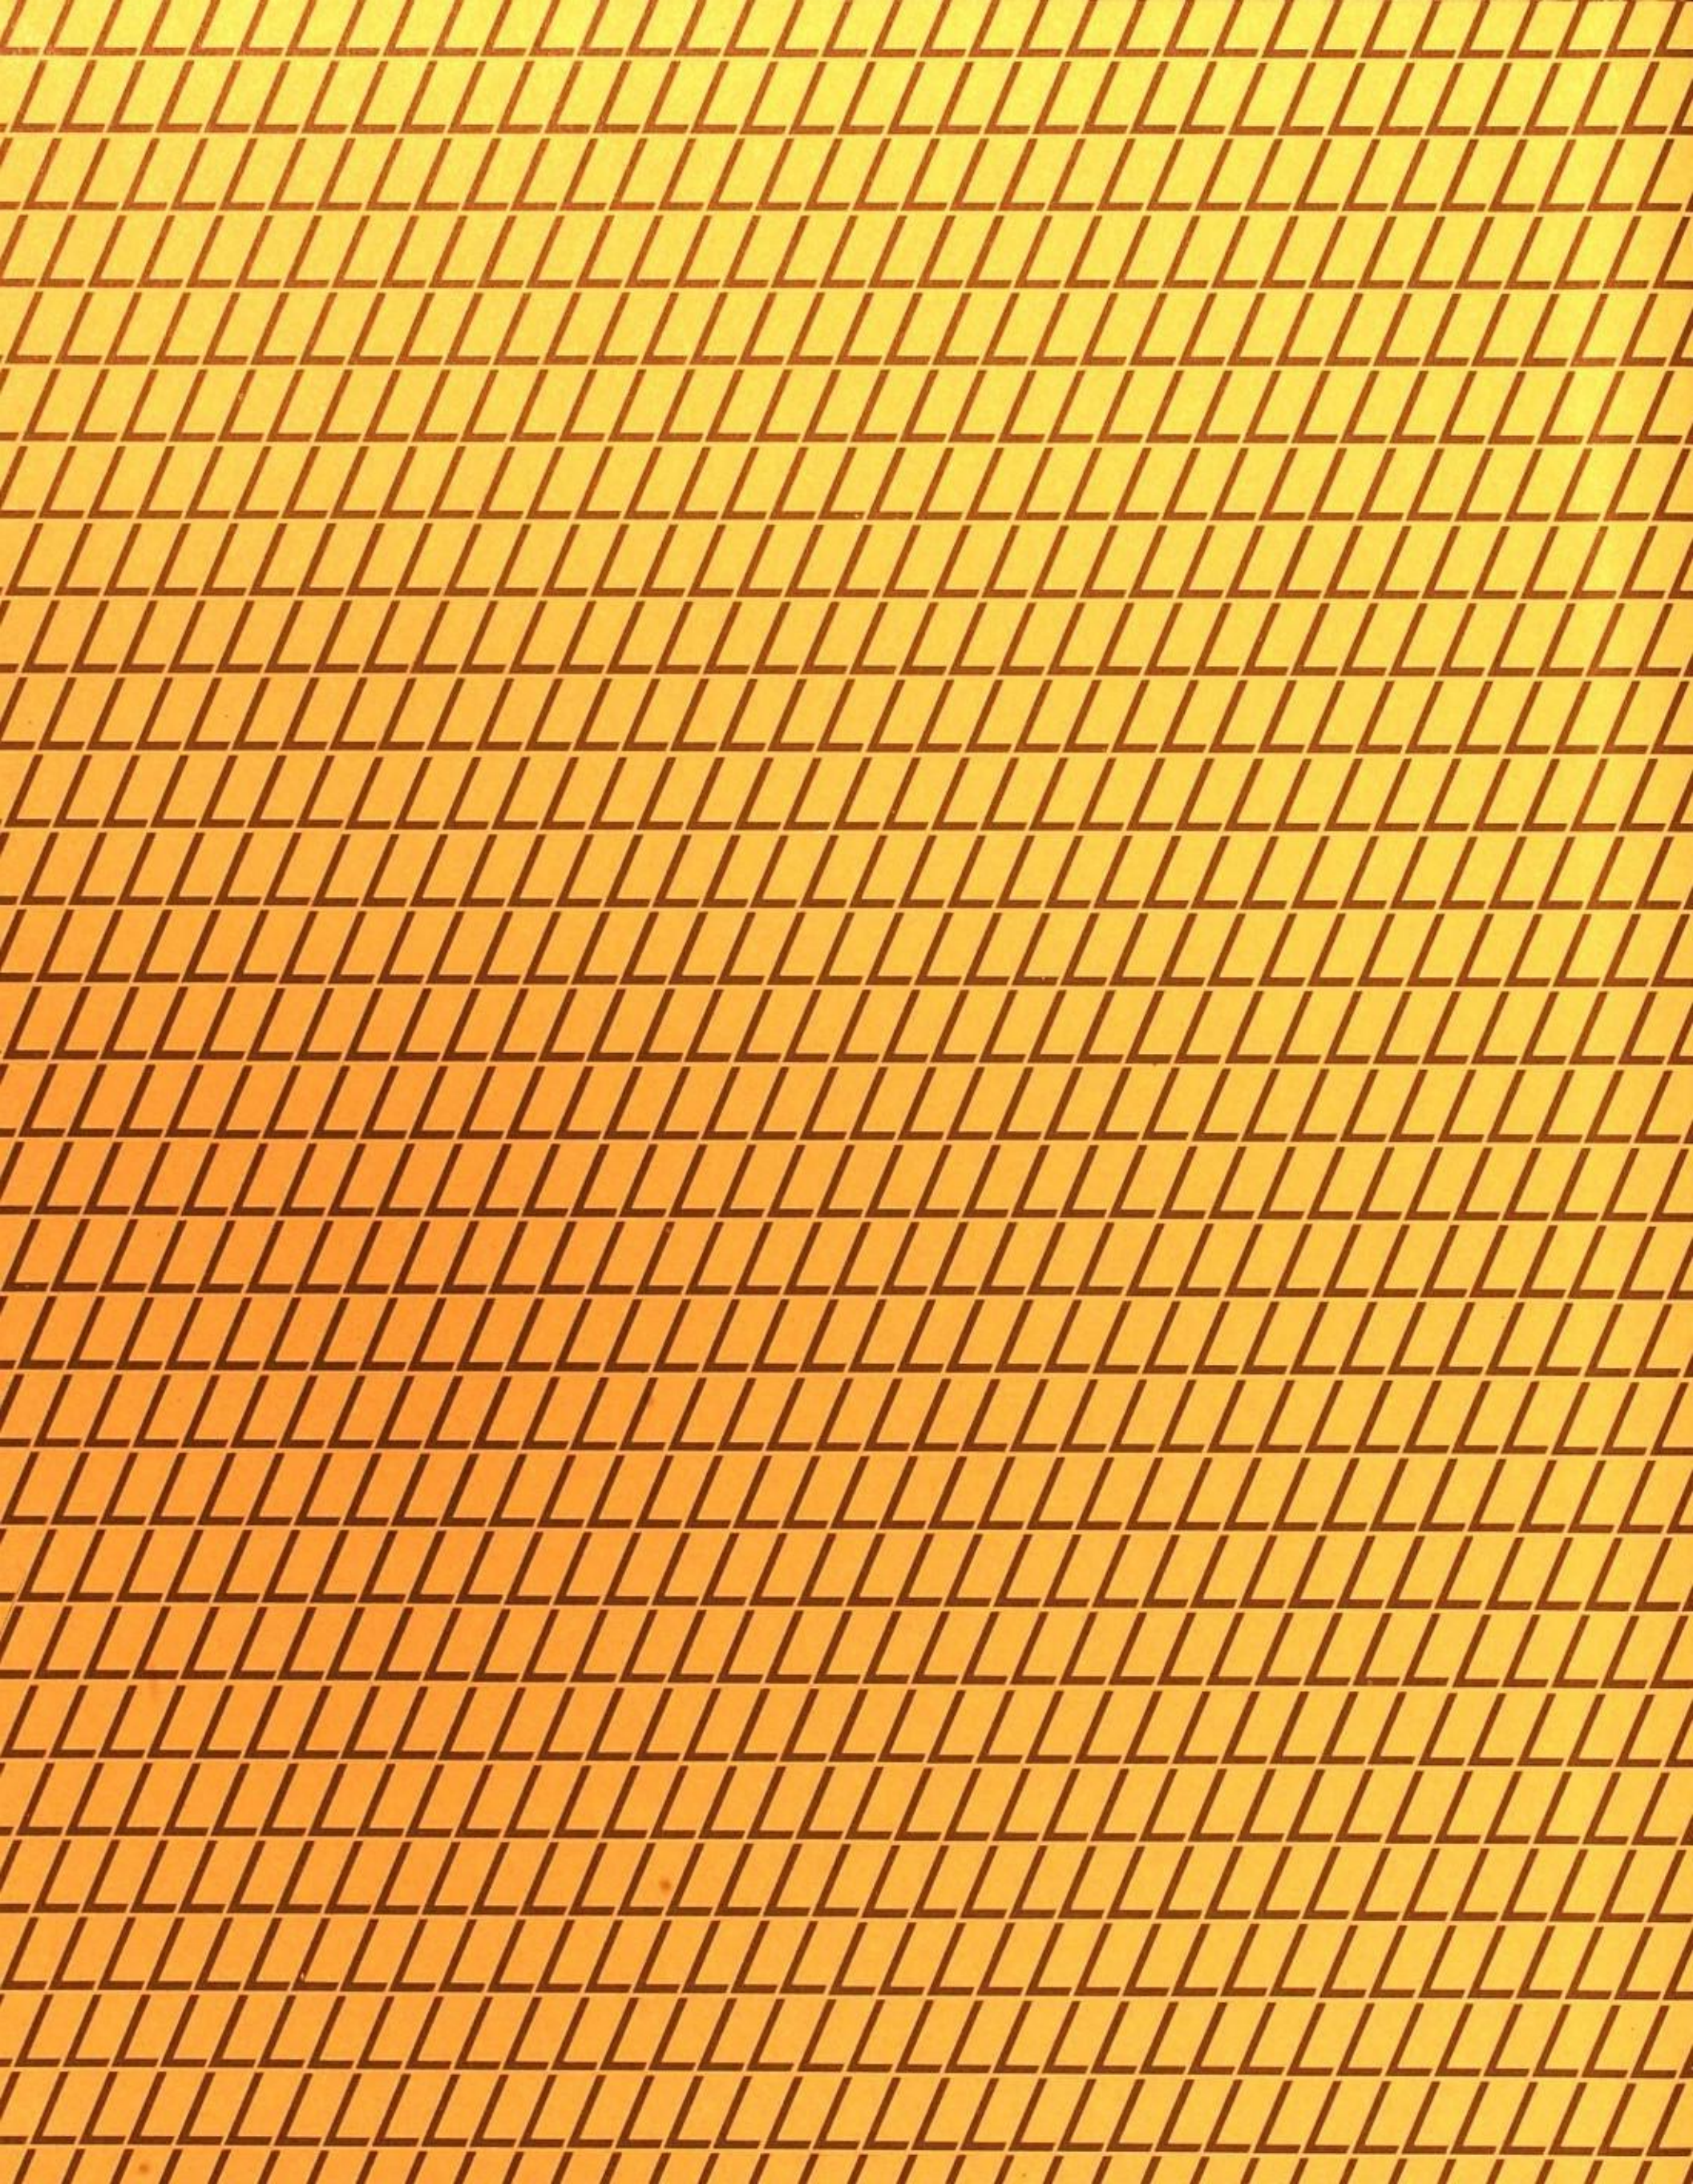
"The Great Gatsby" . . .
"Bohemian Rhapsody" . . .
term papers . . . the Art Show . . .
Texas Instruments . . . musical instruments. The sounds have been recorded, the tunes have been played. The melodies and memories remain of a time, a place, a feeling, a spirit with its endless vibrations pulsating as we continue to grow and to achieve with the beat of its rhythm driving us on . . .


The YEARBOOK STAFF wishes to thank all those who helped in their efforts, especially: Mr. Donald Nath (Art Department); Joseph Corso (Cover & back page design); Gene Edwards and Nancy Weigel (Research for cover design); Rose Marie Bower (Art Illustrations); Nancy Weigel and Dan Rose (Division page artwork); (Mrs.) Vera Gallam (Yearbook accounts); (Mrs.) Beanie Smith (Typing); Mr. James Metzo (Public Relations); WOODARD PHOTOGRAPHIC (Seniors and group pictures); Bruce Harvey of INTER STATE STUDIO (Underclass pictures); THE REGISTER (photography); Radio Station WLEC (Photo backgrounds); James Shepherd (photography); and Mr. Earl Parks (American Yearbook Representative).
